Lickety Split

I met Lily at uni – she was doing the same subsidiary course as me. She was really striking-looking – a bit gothy and always immaculately dressed and made up, super-high maintenance, while the rest of us wore scruffy jeans. One day, she turned up in a velvet tailcoat and black rubber pencil skirt. I wanted to ask her why she bothered, just for uni, but instead I asked what time she had to get up to get ready. "Half an hour before my bedtime," she said, deadpan.

That broke the ice and we became mates, but there was a deeper tension between us – and when it finally came to a head, she took me back to hers for the first time. If her outfits looked incredible, her room was something else. Although it was in an ordinary houseshare, she'd done it out completely in black – the walls and ceiling, carpet, furniture, even the bed and bedding. She laid back on the sheets, all pale skin, dark hair and matching white bra and knickers.

"I started to tongue the perfect lines of her shaved pubes"

I felt like a total slob in my mismatched undies, but that wasn't the only reason why I wanted out of them! I laid down next to Lily and started snogging the face off her – her brown lippie turned out to be smudgeproof stain, but I felt kind of chuffed at making her body flush and messing her hair a bit. She lay back and I started to tongue the perfect lines of her shaved pubes – just a little landing-strip on her pussy – tinted raven black. She even tasted delicate

Porno of the Month

La Chambre might sound like a fancy schmancy French place where they smoke Gauloises while eating French Fancies, but it is in fact a swingers club in grimy Sheffield, which rather brings it back down to earth. It's the location for Ruby Red's crack at the UK gangbang record, although that happens to be a rather modest 45 men, which doesn't put her in the same league as some of her yank counterparts. As always with these things, it's more about spectacle than sexiness, but Ruby's a decent looker and takes it up the wrong 'un, so fair play to her. **Available now from Televisionx.com**

"Her tangy pussy juices flooded my mouth"

While we had a breather and drinks, I asked what was in the big, padlocked box in the corner of the room. She told me she had to keep some secrets, for now at least, then kissed me again, sliding three fingers up my cunt till I totally stopped caring about what was in there.

The next day, I was hoping to see her morning routine, and how long it took her to get ready – no such luck! She didn't have any lectures till the afternoon. But I did solve one mystery at least. I walked into her room when she thought I was safely in the shower and saw the box was open and full of sex toys and fetish gear. She didn't notice me because she was lying, splayed wide open, pumping a big red-rubber dildo in and out of herself.

Next time I see her, I'll ask her if she's into sex toys and see if she gives herself away. And then I'll see if she's up for letting me into her box!

Genevieve, by email

and exotic, a bit spicy, as her warm, tangy pussy juices flooded my mouth.

She wanted some of me too, and got me to sixty-nine her instead, straddling her face. She knew some very sexy tricks, slipping a wet middle finger up my arse and her thumb inside my pussy, then sucking on my clit and humming softly, so her lips vibrated against it.

I went to try the same, but she told me just to lick her, that I was doing fine, and the little shakes that ran through her body seemed to prove it. And she soon had me cumming too.

Real smut from the Razzle sack!

Five's Company

I won't say where I live, just that we get a lot of squaddies in the local area – and me and my mates take full advantage, and let them do the same! We're talking big, fit blokes, who may not have had any sex for ages. And, as my best friend Lucy puts it, we're scary when we've had a few, so only brave lads need apply!

Recently, we got lucky at our local, with two of our boys, Max and Billy. They had a mate with them, Dave, but he didn't pull, so we invited him to party and crash with us at Lucy's.

He wasn't as hot as the two blokes, but not cock! She was noshing away, dribbling spit all down her chin and down his shaft, working it over his length with her hands. Then, suddenly, she just deep-throated the whole lot of it, cupping his balls lightly to hold them still as she actually licked them!

"Whoa!" Billy said, and Max breathed a "Fuck me..." too – good thing her double bed is solidly built.

Max wasn't going to share me first time round, so Lucy did the threesome honours. Billy wanted sucking, so

"He was close enough to cop a feel of my tits, making me squirm"

we'd landed, but he was a laugh, so Lucy and I decided he shouldn't have to sleep on the couch – spare cock isn't always a bad thing anyway! That's how the five of us ended up in her room

Dave was happy to have her sit on his face, pussy grinding on his mouth as she gobbled and licked his mate's helmet.

Lucy can be shy about eating food in front of

when he saw this. Dave, with Lucy straddling his head, was in the dark but, not wanting to miss out on seeing any more action, asked her if she'd mind sitting on his dick instead. Billy didn't object – he wanted sucking all the way off – so they shunted down further, Lucy's mouth still wrapped around his prick, blowing him even as she put his mate's dick inside her cunt.

Max was torn between giving my boobs a good sucking, fingers knuckle-deep in my wet pussy. But as I wanked his rigid dick, I got another plan. Dave was moaning that all he could see now was the back of Lucy's head – like, what had he expected? So he was pleased when I walked over to the bed and bent forward over it, arse up in the air.

He was close enough to cop a feel of my tits, making me squirm with pleasure as he teased my nipples. Meanwhile, Max was stripping off his unzipped trousers and T-shirt, then he positioned himself behind my wiggling arse.

I stood still, breathing in deep as his cock probed along my slit, brushing my clitoris, then I breathed out again, long and slow, tightening my cunt around him as he pushed in.

He didn't thrust much, just stayed buried in me and circled his hips, enjoying the little jerks and flutters of my body as his cock touched my most sensitive spots, and Dave sucked away on my tits. Then Max's fingers crept down and around, stroking my belly and mound, before finding

visit www.paulraymond.com

my clit.
This drove me even more crazy, my spread arse-crack and pucker grinding up against his pubes. I moaned for him to stick a finger in my arsehole – the hard suck on my tit told me Dave would love that job – then I came really hard and suddenly, my cunt tugging on Max's prick.
Now he began to fuck me, pumping in and out, rocking me back and forth so all of spunk in her mouth, looking back over her shoulder, mouth open wide to show us – now you see it – before gulping it all down – now you don't.
I told her she was a selfish bitch, swallowing it all, but she said I'd get mine soon enough. She spun

Dave could do was fondle my boobs. I felt myself cum again, like a little echo of the first one, then Max stiffened up behind me, hanging on till the last split-second before pulling out and slapping his wet dick against my crack. He didn't even have to wank or rub it before he was shooting all

"I moaned for him to stick a finger in my arsehole"

over my lower back.
Now all eyes were on Lucy. Billy was really showing the strain and seeing Max's money-shot finished him off. Lucy took every drop around so she was sat on Dave's cock facing him now and, as she rode it, she started licking Max's spunk off my back.
"You fucking dirty slut..." moaned Dave – good thing she likes that kind of talk – then he spunked his wad up her.
She hauled herself off his prick, but hovered over it, frigging her slit as she straddled him, so the spunky juices dripped out of her hole. They splashed on his already sodden length and she told me to lick him clean. I went easy on Dave at first, licking him everywhere but his cock. And by the time it was all there was left to lap at, he was hard and ready for action again.
Meanwhile, Lucy was asking who wanted her next. Billy fancied a go on her now – fair enough – but she was after a taste of me too. So picture me kneeling next to the bed with a mouthful of Dave's cock, straddling Lucy's face. Meanwhile, she was getting it missionary from Billy, whose finger was getting busy in my arsehole. Max was happy to stand there wanking just for now, telling Billy to warm my bum up ready for what he'd be doing to it later on...
There wasn't much we didn't do that night, although Max and I ended up sleeping one-on-one while Dave bunked with Lucy and Billy. She kept on about how we'd "done our bit for our boys" but servicing our servicemen didn't feel like something we did out of duty!

FLESHLIGHT SEX IN A CAN SUCCU DRY

There are times when I suffer from cock-envy, and times that I absolutely don't! And this would come under the latter. I mean, would this really get you guys off? Apparently so – and they say it's the woman's mind that's the mystery!

The inside is like the rest of the Fleshlight range, deliciously soft and fuckable – just perfect for popping a cock in, as long as you ignore the gnashers...

FETISH FANTASY VIBRATING THIGH STRAP ON

Hmm... the jury's still out on this one. For comedy value it certainly has the X-factor, but for actual get-your-socks-off orgasms, well, I'm not entirely sure as I was laughing so much I couldn't concentrate on the job! It'll certainly bring something new to the bedroom, anyway. So, if you need to lighten up a bit and try to get off in the process – all for a very reasonable £18.99 – the challenge is all yours!

MANTY HOSE - MEN'S OPAQUE TIGHTS

Oh, Christ almighty, what will they come up with next? This month is a real mixed bag of products for me to test out, and I'm at a complete loss with this one, I can tell you! I don't think my fella is mightily impressed with me, either! I am assured that these are going down a storm in the States and in Germany (say no more!), where 50% of blokes own a pair. To be fair to them (the tights, not the Yanks), they do give a good shape to your pins, but at the cost of everyone thinking, 'OMG, that bloke's got tights on!'

SERIOUSLY SEXY STOCKING FILLER

Believe it or not, sometimes a book can reach places other things can't and can sometimes do funny things to a lady. In other words, if you want to get your bird in the mood for a bit of nookie, run her a bubble bath, light candles, pour her a glass of wine and give her this book to read. Or, if you're feeling particularly naughty (and brave), try reading a story aloud to her on Christmas Day, and we guarantee it won't just be the presents that get unwrapped...

Real smut from the Razzle sack!

Smooth Operator

A few months back, I took the plunge and shaved my surf-dude hair off – and only wished I'd done it years ago. Women seem to love it, especially when you get a few days' stubble – they can't stop stroking your head.

And one girl, Kira, said she loved it brushing against her thighs when I went down on her.

So I asked would she do me a favour and let me shave her snatch. I'd met her during swimsuit season but even then she'd only kept it neat, not even a Brazilian, and now the colder weather was here, she let it grow a bit wild!

She wouldn't let my clippers near it – too harsh, she said. So we cracked open a new pack of razors. And fair play, she trusted me, relaxing and letting me remove every last hair from her pussy, till it was all pink and bald.

Kira was dead cute when I showed her it in the mirror, saying, "Fucking hell, is THAT what it really looks like?" as though she was meeting her pussy for the first time ever!

I'd watched her get herself off before – and it was a tempting idea now. But as her fingers started to wander, I decided it was all for me. At least she had her tits to play with – normally I'd linger longer there but I couldn't wait to get my mouth on that beautiful pink pussy.

I sucked on her plump outer labia, before burrowing my mouth between them, nuzzling my face against her smooth, soft skin. It got her just as horny too – I could feel the juices pouring out of her and smearing on my face as I licked and sucked her.

"I couldn't wait to get my mouth on that beautiful pink pussy"

Some girls don't like being kissed after you've gone down, so I wiped my face a bit cleaner on her boobs as she kneaded them around it. But she didn't hold off snogging me and sharing the taste of her own pussy from my lips.

She said she wanted me to fuck her now, and see my cock penetrate her shaved hole. Too bad she kept on closing her eyes, as well as biting her lip with pleasure as I slipped in. I thought maybe I'd film her with my cameraphone next time, so we could both relive the moment. Then I couldn't think of anything but how hot and tight – and totally gushing wet – her snatch felt around my tool.

I fucked her as long and slow as I could manage, then stroked in a few times before pulling out. Then I rubbed my cockhead against her clit, using the friction to bring myself off as she came too.

I spunked all over her crotch, watching as each new spurt ran down the smooth pink folds. Then I used it to smear it all over her, from the tip of her slit right down her crack.

I told Kira maybe she should shave her pussy whenever I shave my head, once or more a week. She said no way. But we've made a pact that she'll do it at least every month. Or let me do it for her!

Party Harder

I met Noel when he gatecrashed a party some mates from uni threw. He was in his thirties, so hardly a dirty old man, but he stuck out like a sore thumb. I think the litre-bottle of premium vodka he turned up with helped him get in through the door, though!

I grabbed a glass then strutted up to him. He poured about a teaspoon in there then said if I wanted more, I'd have to do something for him. Most blokes couldn't pull off a line like this, but he was cute, so I snogged him.

"That just earned you another finger," he grinned and he didn't just mean vodka.

We snogged again and then I worked my way down with an ice-cube in my mouth, tracing a wet line down his body. I pushed it in his belly button as I undid his jeans and got them and his boxers down, then I sucked what was left of it till it melted, and took his cock in my mouth.

"I let him slip out and wanked him into my drink"

He half-filled my glass and I knocked back a mouthful, sucking on an ice-cube too. Then I gave him a cold, boozy kiss and dragged him into the utility room.

Normally that kind of cold would be dick-shrivelling. But the suction of my warming mouth won through.

I focused on sucking him, my drink in one hand, his prick in the other. Soon he started moaning that he was cumming – like it wasn't obvious from the taste and feel of him. So then I let him slip out and wanked him into my drink! I raised it like I was toasting him, then used a finger to stir it until the strings of cum dissolved into the vodka. Then I downed it in one.

Noel looked gobsmacked, and I couldn't believe what I'd just done either. He laid me back and took a melting ice-cube out of my drink and started to play it along my slit. Then he pushed it up my pussy, reaming in and out with his hot tongue, melting it out of me.

He ate me, while wanking furiously to get himself hard again. I was halfway to orgasm, so I decided to just stay where I was. I like vanilla vodka and there's nothing wrong with vanilla sex either, as long as it's with some dirty bastard who's mauling your tits and pounding your twat hard and fast.

He said I was a really tight screw – I said no wonder, with me being a virgin and all. He looked stunned, and so I told him I was just fucking with him – and he could keep on fucking me.

He did me even harder then, working the shock out of his system, pinning my arse to the floor by the time he shot his second load, rubbing my clit so I came round his pulsing shaft.

I played it cool, helping myself to more vodka and then going off to join the party, saying I'd see him around. Not that night I didn't, though. Did he just go home or to find more pussy? I don't know. But I'm hoping he'll gatecrash the next party I go to!

How do you wake up Lady Gaga? You 'poker' face.

Amy Winehouse bumps into Jeremy Clarkson unexpectedly, and they stop for a chat. She asks him, "What do you do then?" He looks miffed and replies sniffily, "Top Gear." Amy looks made up with this, and says, "Fucking A! I'll have 2 grams please!"

A hole has been found in the wall of a nudist camp. The police are looking into it.

A couple are waiting at a bus stop with their 9 children. After a few minutes, a blind man joins the bus queue. When the bus arrives, it is packed, and so only the woman and her 9 kids can fit on. The husband decides to walk instead of waiting around for the next bus, as does the blind man, and as they are headed in the same direction, they walk together. After a while, the man starts to get irritated by the consistent sound of the blind man's white stick tapping on the ground as he walks, and says to him, "That tapping sound is driving me crazy – I don't know how you put up with it! Why don't you put a bit of rubber at the end of your stick?" The blind man sighs, then replies, "If you'd put a rubber at the end of your stick, you'd have less kids and we'd be riding the bus, so shut the fuck up!"

It was an incredibly emotional wedding. Even the cake was in tiers...

One day, a bear was sat on a riverbank, watching a fish jumping out of the water, trying to catch a fly. The bear thinks to himself, "If that fly drops just six inches, the fish will jump up to get the fly, and I'll jump in the river and get my dinner." A few feet away, a little mouse was watching everything, and thought to himself, "If that fly drops six inches, the fish will jump up to catch the fly, the bear will jump in to get the fish, and then I can leave my burrow safely to go and find my dinner." Sitting above on a branch, half way up a tree, a hungry cat was surveying the situation. "Hmmm," he thinks to himself, "If that fly drops six inches, the fish will jump up to catch it, the bear will go and get the fish and the mouse will think it's safe to go and find some food, and I will have my dinner." And so it happens, the fly drops six inches, the fish jumps up to catch the fly, the bear jumps into the river to get the fish, the mouse scurries out of his hiding place into the open, the cat loses his balance and falls out of the tree, into the river. So what is the moral of the story? If the fly drops six inches, the pussy is going to get wet!

A policeman is doing his rounds one night, when he notices a prostitute on a street corner. He goes over to her, and informs her that she's under arrest. "But I'm not selling sex!" The woman exclaims. The policeman frowns, "Well, what are you doing then?" The prostitute replies, "I'm selling condoms with a free demonstration."

Did you hear about the perverted burglar who broke into a museum, and molested some of the life-sized statues of British politicians? He was charged with statue Tory rape.

Little Johnny goes to school one day and asks his teacher, "Sir, do hearts have legs?" The teacher looks confused, "Of course not, Johnny. What makes you ask that?" Johnny looks confused and replies, "Last night I heard my Dad say, 'Sweetheart, open your legs.'"

I've got a mate who has fallen in love with two school bags. He says he's bi-satchel.

LUCKY
FUCKER!

I'm an actor, working in TV and films – nobody you're likely to have heard of, and "D-lister" would be flattering myself! About a year ago, I began posting on Twitter – mostly for friends, family and professional contacts, but recently, I exchanged a few flirty tweets with Andrea, a female fan who'd spotted me in a few shows. And I invited her for a drink.

She was prettier than I expected – a bit over made-up, like she was trying a bit too hard to impress – and shaking like a leaf. She said she'd almost stood me up through nerves. But a few drinks later, she relaxed, and we were flirting face to face. And a few hours later, she was coming back to mine, not getting a train home as she'd planned.

Nervous again, she worried that I'd think she was a nutter or a slut. "It's just nice to have a fan," I said. "Especially a cute fan."

She let me snog her and I soon grabbed a handful of her tits – two big reasons I'd taken her home, if I'm honest.

She moaned and so I pushed it further, unbuttoning her blouse and sticking my head

between them, then slipping a hand up her skirt between her thighs. I stopped a few inches short of her snatch, until she moaned and wiggled her arse a bit, so her skirt rode up and my hand touched the warm, moist crotch of her knickers.

I began to finger her through them, springing her tits out of her bra so I could get an eyeful and take a suck on her nipples. And as I rubbed and

"My hand touched the warm, moist crotch of her knickers"

teased her, I felt the wetness start to soak in even more.

I grabbed the front of them and pulled them down, making her gasp. Then I helped her out of them and said maybe I'd keep them as a souvenir. "And I thought I was the nutter," she smiled. I just took a deep sniff of them, then went back to fingering her, flesh-on-flesh this time.

The more I breathed in the turned-on smell of her pussy, the harder I diddled her hole. I had three fingers up it and even when she squeezed them so tight I couldn't part them, I kept pistoning away inside her. Then I just sunk them in deep, to feel her cum. She seemed to be lost in the pleasure of it, eyelids flickering, and I kept plugging away until the ripples of her pussy faded out, no matter what I did. Then she opened her eyes and looked at me, like she'd suddenly remembered who was doing her, and couldn't get the words out when she

"She fed me into her hole"

tried to speak. I shushed her then gave her my fingers to suck on – coated in her cum-cream. My cock was so hard my jeans were threatening to cut off my circulation, so I got it out – Andrea's eyes widened and she sucked even stronger on my fingers.

It was a warm night and the room was feeling a bit stuffy so I opened the door to the Juliet balcony in my flat. As an actor, a bit of exhibitionism doesn't bother me either!

Andrea leaned back against the rail, and reached down for my cock. Then after hooking a leg around my back, she played it over her labia. We kissed again,

visit www.paulraymond.com

so passionately, I barely registered the moment when she fed me into her hole, but it's like my dick felt it and started to thrust instinctively.
Either she was really orgasmic or I'm a better shag than I thought. Everything I did, no matter where I touched her – sucking her nipples, fondling her arse or angling myself more against her clit – got

"My prick was buried inside her"

her moaning with pleasure. And no, she definitely wasn't faking – I may not be Oscar material but I know enough about acting to tell the difference!
Her leg behind my back was slipping so I hooked it over my arm, then felt the other knee start to buckle, so my prick was buried inside her. "Hang on tight," I said and she grabbed me around the neck, with new strength, snogging me again as I drove into her and came.
She slumped down to her knees, my dripping cock right in her face. She looked at it longingly, like she couldn't wait to get her lips around it, but I just had her play with her sloppy, spunky snatch for me, until I was ready to stick my hardening cock in her mouth.
My best mate agrees that I'm the nutter, that screwing a fan has laid me open to getting stalked or ending up in a kiss-and-tell if I get more famous. That's a big if, I reckon, and Andrea's tweets have tailed off – maybe I just didn't live up to her fantasy. Plus, I guess if she's planning a kiss-and-tell, I've beaten her to the punch by writing in to you lot!

Brave Round Your Area regular Lindsay seemingly feels no pain, as it looks cold as fuck in these pics, taken one miserable afternoon in Redcar. We're pretty sure that she brightened up the day of the shoppers that she passed on her stroll, as she certainly leaves us smiling! We love Lindsay and her no fear attitude, although we don't think we'll be asking her to parade around in the altogether once winter draws in!

Susie

MILF of the Month!

visit www.paulraymond.com

Sultry Susie is definitely more of a sex kitten than a lot of the MILFs we have featured lately. With her fishnets stockings and see-through negligee, she's obviously a woman who knows what she likes, and knows exactly how to get it!
"It's true that I'm a bit dominant in the bedroom," she admits, "And every man I've been with seems to like it!" We know we would, Susie!

Jingle Belle's Stocking Fillers!

As the festive Season approaches, Jingle Belle recommends some sexy gifts to add to your list to Santa...

A DVD For Him & Her:

Christmas is a family time, and what better movie to watch, than an adaptation of Alice In Wonderland? Well, maybe this isn't one to watch with the kids, but Malice In Lalaland truly is a masterpiece in it's own right, and as such, we reckon it would make a fab Xmas gift for your kinky other half. Quite apart from the film itself, the DVD comes with an accompanying booklet featuring stills, behind the scenes shots and cartoons. Stone the crows! As you might have guessed from the title, it's loosely (ahem, very loosely) based on Lewis Carroll's Alice books, although you'd be hard pushed to tell. There's far more fucking, for a start!

The film opens with Sasha Grey's Alice being sprung from some sort of sinister loony bin by a small black rabbit and mysteriously finding herself in a strange desert landscape. A strange enough opener – but nothing compared to the utter lunacy to come! Sasha follows the little bunny through the wilderness to his hutch, where she takes off her clothes before heading out again. Sasha's first fuck turns out to be a dude in a big blue cat mask. He makes the most of her hairy nadger and her deep-throating skills, and who can blame him! The movie does get increasingly odd, but it's intriguing and watchable, and the sex and girls are fantastic. A must for all pervs out there [Us included! – The Ed].

Available from Metromovies.com

A Sex Toy For Her:

If you're wondering what to get the missus, but don't want to get her an iron like you did last year (well, you were warned it'd be a mistake), try something a little different – she'll thank you for it. Especially if you fork out for one of these babies! The Lelo Elise is more of a grown up sex toy, compared to, say, our old fave, The Rabbit. With it's stylish ergonomic curve and separate vibrating motors at either end, it works equally as well on her G-spot as it does on her clit, guaranteeing her a mind-blowing orgasm and a happy Christmas to you both...

Available from Sexyfun.co.uk for £79.99.

A Sex Toy For Him:

We feature the latest sex toys for men regularly in Razzle, so what to show you that we haven't already? Christmas is a time for special things, and a time for firsts, so what about trying a bit of anal this festive season? No, we're not talking about screwing her, but her screwing you! Ok, so you need to be with the right girl and the right time, but if done right, it can be mind-blowing, especially with this Prostate Stimulator. Set the mood, and start by getting the lucky lady (hey, we say lady, but we're not assuming or judging) to circle your arsehole with her finger, until you are nicely relaxed. Then she should lube the toy liberally and ease it in very slowly and carefully. Once in, the rounded end will press against your prostate, which, if you've never experienced before, is one thing you really should before you die! Once it's in, and is comfortable and pleasurable, reward your other half by giving them a fine festive fucking – no need to dream of that white Christmas!

Spotlight on... Syren Sexton

Definitely one of the most beautiful British porn stars working today, it was no real surprise that Ms. Sexton won our *Paul Raymond Britain's Got Totty* competition earlier this year. The blonde bombshell has only been working in the adult biz for just under 2 years, and has only a filmed a small handful of movies, compared to previous *Spotlight On...* girls, but we can spot a star when we see one. Syren has serious potential – she is seemingly a natural to porno, giving head like a pro, even in her very first movie, *St. Trinibums*. She has only shot 34 movies to date, but believe us when we tell you that every single one is worth it's weight in spunk. Born in Northern England, Syren began her porn career in 2009 and filmed her first major film with Ben Dover, and more than held her own. With her Hollywood looks, and sexy Geordie accent, it seemed only natural that she would work in The States, which she has regularly of late, although she is still primarily based in the UK. It seems that Syren has started at the top in the US, too, as her first job in America was shooting for Vivid Entertainment's Axel Braun, on his long anticipated *Batman XXX: A Porn Parody.* And being a passable actress, it's no suprise that she's perfect for the porn parodies that are so popular at the moment. As well as appearing in *Batman XXX*, she has also been in *The Breakfast Club: A XXX Parody* and was the lead role in SHAFTA winning series, *Life In Bras.* She's also appeared in such gems as Young Dumb Cumsters, Filthy Gob and Gentleman's Relish, and regularly appears on Television X. This year, she won the 2010 SHAFTA Award for Female Peformer Of The Year, and we reckon she should clear some space for the numerous awards to come. You may not be very familiar with Syren Sexton's work as yet, but we assure you that you soon will be, and we hope you enjoy discovering her as much as we did!
